

## Icarus Golden Stout

The stout that flew too close to the sun.

In collaboration with Bohemian Roastery, our brewers mimicked all of the traditional flavors you would expect in a stout without using any roasted malt. The product is a very approachable and complex blend of flavors such as coffee, vanilla bean, and cocoa with some slightly roasted character.

### Package

12oz cans

### Availability

Seasonal

### Specs

6.7% ABV

33 IBU

### Order Codes

4/6/12oz - Columbia Item #43416

UPC code for 12oz 6-pack cans

Worthy sources more than 80% of its hops from the Willamette Valley in Oregon. We prioritize sourcing from our Northwest neighbors both because of the quality crops and to be responsible stewards of our community and environment. We're proud of this beer, and we hope you enjoy it as much as we do.

Brewed with Salmon-Safe certified hops. Worthy donates a % of sales to Earth-friendly non-profits.
